

Transformers

-I'm glad you're here.

-It has finally come to this. We must do something.

-Other moderates will join. You'll see.

-What's the plan?

-First, kill the extremists.

-But doesn't that...?

-No. Temporary! We'll do what is necessary and then go back to our moderation. We call ourselves THE NECESSARIES.

-I'm...having doubts. Sorry.

-You'll be issued an AK-47. Oh just look at those eyes! Dreamy!

-I'm seeing all these fraudulent Christians against a wall.

-You'll have to sign, here and here!

-Done!

-We will save the country. Level heads are best.

-Ah-fuckin-men.

-Now don't get itchy-fingered too soon.

-Me? I'm as gentle as yogurt!
